Songs from Sam's heart

NEIGHBOURS star-turned-singer Adelaide lad **Sam Clark** has revealed his romance with **Carli Meiring** has been inspirational to his songwriting.

Sam, who accompanied Carli, below, to the Melbourne premiere of *This Is It*, said he even had rewritten a song after the romance blossomed.

"She plays a pretty big part in my life," he said. "I rewrote a song just recently about relationships while we

were doing the long-distance thing, and it's got a happy ending now."

Sam, who met Carli at a friend's housewarming in April, said it had taken a while for the relationship to get going. "She's from Queensland and had to go back there, and then she was in Kinglake to help rebuild the communities after the bushfires," he said. "That made me think, 'Wow, what a girl.' She's got such a good heart."
