RINGO IS A STAR

Young *Neighbours* star Sam Clark, who plays Ringo Brown, has just announced that he will release an album in 2010. The first single from the album is titled *Broken*, a soaring ballad about love and love lost, that is currently hitting national radio airwaves. Not many people know that Sam was a keen musician long before his acting career. For more information about Sam and his music, check out his website www.samclarkmusic.com
