# Sam Clark in Sanity by popular demand

Due to popular demand, additional Sanity, Virgin and HMV in-store appearances have been scheduled for Sam Clark to celebrate the release of his debut single *Broken*.

During his promotional tour, Sam will also be visiting high schools discussing his career thus far and undertaking Q&As with students.

Since joining *Neighbours* in 2006 as Ringo Brown, Sam Clark has become one of the most loved and recognisable characters on the long-running show.

But while acting is very important to him, Sam's first love is music, and now Sam has released his debut single *Broken*.

Sam Clark has come a long way from his nationwide *Dolly Magazine* audition that landed him an initial three month contract on *Neighbours*.

Now, at just 21 years of age, Sam has a Logie nomination and over 300 *Neighbours* episodes under his belt, and is ready to embark on a journey that will see

him enter a new phase of his career.

His debut album is nearing completion and is due for release through PLW Entertainment in the new year.

Sam is a singer/songwriter/guitarist/keyboardist whose songs are beautifully melodic with thought-provoking lyrics.

Music is not a new interest for Sam, who has been writing songs and playing guitar since the age of 15. Sam has a varied array of musical tastes and influences, sighting Birds of Tokyo, Bon Jovi, Cold Chisel, The Temper Tap, Slipknot, Jeff Buckley, David Gray and The Kooks, to name a few.

To celebrate the release Sam will be appearing in Sanity stores across the east coast performing acoustically and singing copies of *Broken*.

He'll be at Sanity at Green Hills on Saturday, November 28, at 1pm

Don't miss Sam Clark and don't forget his debut single *Broken* is available now.
